GIANT MAHAN

WOLFE NURSERY

Growers of the South's Finest Fruit and Nut Trees-Shade Trees-Roses-Flowering Shrubs-Bulbs and Landscape Evergreens---

STEPHENVILLE, TEXAS

WOLFE NURSERY'S WORLD FAMOUS
PAPERSHELL PECANS

THE GARNER

A Wolfe Nursery introduction acclaimed outstanding for quality, production, and unexcelled shade.

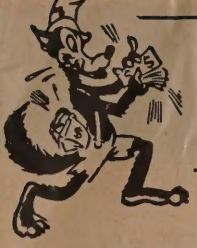
Plant your pennies and watch your dollars grow. Garner starts growing dollars in a hurry. We have fruited this great Pecan alongside of many others during a period of 16 years and it has made more money per tree than any other. We have never been able to supply the demand. Garner will bear at least one-third more per tree than other Pecans and produce nuts the first or second year after you plant them. WHY? Because Garner just naturally bears young. Add this desirable trait to Wolfe's "Machine-dug" root system that reduces "TRANSPLANT SHOCK"—the use of FRUIT BUDS in propagation, and you have the answer to why people prefer Wolfe's Garner Pecan Trees. Garner is FROST-RESISTANT—bears every year and is one of the first to mature in the fall. It is a TRUE paper-shell—so thin it can be cracked with the fingers. The creamy, delicious kernels are extremely rich in oils, proteins, carbohydrates, vitamins, and distinctive flavor. Plant in uplands of sections only at altitudes of 600 feet and UP. Garner is one of the most outstanding Western varieties ever discovered. Should be planted with Mahan for best results. Order your trees early. Get the benefit of early rains. Garner is labelled RED.

PRICES:

2 to 3 ft. Trees — $2.95 | 3 to 5 ft. Trees — $4.95 | 5 to 7 ft. Trees — $6.95 | 7 to 9 ft. Trees — $9.95

Garner will outbear all other Pecans.

Note this beautiful Pecan; what a thin shell, how perfect the big kernels, and the ideal shape. John Garner is about one-third larger than pictured above. SOLD ONLY BY WOLFE.



A PECAN ORCHARD GIVES YOU SECURITY AND PROFIT

LET US HELP YOU PLAN YOUR FUTURE WITH A PECAN ORCHARD

When you plant a Papershell Pecan orchard now, you are planting for income and security in the years that lie ahead—A well cared for pecan orchard will give you huge returns, compared with the investment—See pages 12 and 13 for complete information concerning your commercial Pecan Orchard.

The World's Largest Pecan

Giant MAHAN

Can you imagine Pecans so large that the clusters of nuts look like bananas on the trees? That's Giant-Mahan – THE WORLD'S LARGEST PECAN. The nuts look somewhat like Schley but they are more than twice as large. Giant-Mahan is also a true brittle paper-shell and brings more money per pound than any other Pecan. This variety has become increasingly popular due to the healthy, vigorous-growing tree which makes a beautiful shade specimen. It grows upright and puts on dense, dark green foliage. The leaves are extremely large. Added to this feature, it is adapted to all sections and is resistant to common diseases. Giant-Mahan is a heavy producer and our Machine-Dug root system enables it to start bearing soon after you plant it. Giant-Mahan and Garner make an ideal pair for home or commercial planting. Mahan is labelled with one WHITE stripe.

PRICES: 2 to 3 ft. Trees — $2.95
3 to 5 ft. Trees — $4.95
5 to 7 ft. Trees — $6.95
7 to 9 ft. Trees — $9.95

There is no tree that adds so much to the value of your land as does a papershell pecan.

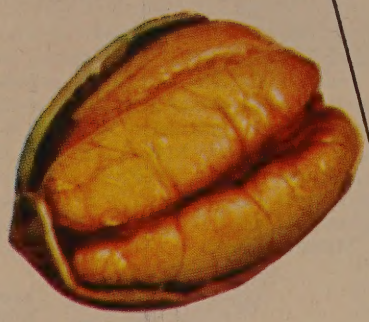
SAVE 20%

3 Trees 3 to 5 ft.—$11.95



STUART

A POPULAR VARIETY ADAPTED TO ALL SECTIONS INCLUDING THE COAST

Stuart comes nearer to being well adapted to all sections of the country and all soils than any other variety. It is an excellent producer and a hardy, fast growing, healthy tree. The meat has a real Pecan flavor and the shell is medium thick—somewhat brittle.

The average Stuart will run 48 to 50 per cent kernel. As you can see by the actual color picture at the left, the Pecan is large and always well-filled. The trees bear regularly and are highly resistant to scab. Stuart is labelled YELLOW.

PRICES:

2 to 3 ft. Trees — $2.95	5 to 7 ft. Trees — $6.95
3 to 5 ft. Trees —$4.95	7 to 9 ft. Trees — $9.95

SUCCESS

This most popular Eastern variety is in demand because of its excellent flavor; large, plump, smooth, creamy kernels that release perfectly from the thin soft shell. Forty of the big nuts usually make a pound and it tests High in meat content. The tree is a beautiful, vigorous grower and highly resistant to scab. It heads low and makes an ideal variety for yard planting. Success ripens a few days later than Stuart. Both are very polliniferous. Wolfe Pecan trees will grow off faster—produce earlier—and make a vigorous shade tree years sooner. Buy Wolfe Nursery selected trees and you buy the finest. Success is labelled with one PINK stripe.

PRICES:

2 to 3 ft. Trees — $2.40	3 to 5 ft. Trees — $4.40
5 to 7 ft. Trees — $6.40	7 to 9 ft. Trees — $8.50

WESTERN SCHLEY

THE PIONEER WESTERN VARIETY

PRODUCING PROFIT EVERY YEAR

One of the most ideal home orchard and commercial varieties. Its size is large and its shell thin. Western Schley never fails to prove that money does grow on trees. The tree is remarkably healthy, a strong grower, early and heavy producer. A genuine Risien Gold Medal Pecan that makes a gorgeous shade specimen in a hurry. Labelled with a GREEN stripe.

PRICES:

2 to 3 ft. Trees — $2.40	3 to 5 ft. Trees — $4.40
5 to 7 ft. Trees — $6.40	7 to 9 ft. Trees — $8.50

FIGS an EXTRA good buy

Juicy Ripe Figs the First Year

WOLFE'S EVERBEARING FIGS

You can have fresh big, soft, sweet Figs the first year from Wolfe Everbearing Figs. Easy to plant and easy to grow. I wish you could spread some of the delicious Fig preserves that Mrs. Wolfe makes, on a hot biscuit, with a little butter and then take a big bite. Good! So good that you'd plant three or four Figs in your back yard. Figs the first year!

GROUP SPECIAL

FIG SPECIAL

3 Everbearing Figs —one year size at a big Anniversary saving—Fresh Figs the first year from these plants.

3 for $2.49

Good! Fresh Figs are Luscious

It bears the first year and ripens big, delicious Figs from July until frost. Bears on new growth. As the actual color picture shows, it is a beautiful Fig and very sweet. $400.00 an acre was made on this Fig at Dallas, Texas. Labelled PINK over WHITE.

"Money Does Grow on Trees"

Burkett

For UNSURPASSED SHADE in YOUR YARD —
For EATING PLEASURE and SELLING PROFIT
Plant Wolfe's FAST GROWING BURKETT

The leader, and will continue to be, in Western varieties. Burkett is a regular and heavy producer of large, round, fat pecans that are perfect for home use and bring top market prices. Burkett is popular—as long as we have been in business the market demand for Burkett and Garner has never been supplied. It has a rich flavor and its meat content is so high that just a few of these choice pecans go a long way. Plant Western Schley or Garner for perfect pollination. Plant only in altitudes of 600 ft. and up and on well-drained land. Wolfe Nursery's select Burketts are labelled with one BLUE stripe.

PRICES:

2 to 3 ft. Trees — $2.95	5 to 7 ft. Trees — $6.95
3 to 5 ft. Trees — $4.95	7 to 9 ft. Trees — $9.95

SPECIAL GOLD MEDAL COLLECTION

NOW OUR PAPER SHELL PECAN SPECIAL IS OFFERED IN 3 SIZES. Several years ago, many of our customers asked us for a pecan special offer. We came out the next year with our original pecan special. It was 3 trees, 1 to 3 ft. size, for $5.00. That special meant a saving of $2.20 to our customers and thousands of good people bought them. Many, many customers who wanted larger trees at a bargain price have written us — so, for the first time, we offer our Gold Medal Collection in three sizes. We are selecting three of our best varieties: Burkett, Stuart, Giant-Mahan, Garner, Success, or Western Schley — those best adapted to your location. Before you know it, these select Wolfe-grown trees will be producing loads of big, delicious paper-shell pecans.

STREAMLINER

Sensational Everbearing Strawberry

Never has a new strawberry become so popular as quickly as Streamliner. The reasons are simply that it produces so heavily the big red berries of such fine flavor. PLANTED THIS SPRING IT WILL BEAR THIS SUMMER AND FALL. Then next year it will produce a tremendous crop in June and after a short time it will start again and keep on right up to freezing. The Berries are Big, Red, Sweet and DELICIOUS. Streamliner is self-pollenizing so can be planted alone. Eat them, preserve them, freeze them. We want to repeat: Streamliner has that rich, sweet real strawberry flavor.

PRICES:

10 Plants — $1.95 **20 Plants — $2.95** **30 Plants — $3.95**

Superfection

Extra Big Crops—Extra Big Fruit From this NEW Variety

— A tremendous bearer. You will have delicious berries this summer and fall. And next year it will bear spring, summer and fall. The berries are big, firm and bright red, and red all the way through. Serve them with cream and sugar. For preserves and freezing they are excellent, because they hold their shape and color. It is mighty fine when you can go out in your garden and pick fresh ripe delicious strawberries (saves on the grocery bill too) spring, summer and fall. Strawberries have always been considered the most delicious of all fruits. Now it has been discovered that they are also healthful. A couple of rows across your garden will give you lots of berries. Superfection is self-pollenizing. Water well in dry weather.

A $5.25 Value
NOW ALL 30 ONLY $3.29

GIANT GEM

For years now, the Giant Gem has been one of the most popular of all Everbearing Strawberries. They have borne successfully wherever strawberries are grown and their firm, bright red berries are of extremely high quality. Gem will start bearing 60 to 80 days after planting and will produce for you up until frost.

10 Plants — $1.29 20 Plants — $2.29 30 Plants — $2.98

BLAKEMORE

There are probably more Blakemore sold throughout the United States than any other variety simply because it does so well. This new Virus-Free Strain is even better and as soon as available will entirely replace the common Blakemore. Ripens a few days before Senator Dunlap. Especially fine for preserving, canning and freezing because it holds its rich color and shape so well.

SWEET · JUICY · FULL FLAVORED

Pears

DOUGLAS PEAR

The Sugar Pear That Bears Very Young

We've never had any pear variety that offers more production or bears earlier than Douglas. I'll never forget summer before last when we had a Douglas Pear block near a road that goes over the nursery. People that visited us and drove over the place never ceased to be amazed at this whole block of trees just loaded down with fully mature pears. Why, the trees weren't but about 4½ or five feet tall and many of those little trees had as many as ten or twelve pears on them! You'll like the bearing qualities, and the color, and taste of Douglas Pears just as all of those visitors did. It's *Blight-Resistant* and bears consistently each year, ripening about August 15. Labelled with a PINK stripe over a YELLOW stripe.

PRICES:
2 yr. Large Trees — $2.98 2 yr. Medium Trees — $2.49
2 yr. Small Trees — $1.98

GARBER

For eating juicy ripe off of your tree or for preserving for year-round pleasure, Garber is ideal. It is beautifully colored and well shaped, and the tree is vigorous as well as highly disease-resistant. Labelled PINK over BLUE.

PRICES:
2 yr. Large Trees — $2.49 2 yr. Medium Trees — $1.98
2 yr. Small Trees — $1.49

KIEFFER

A variety adapted to all sections — including sections where Bartlett is a failure. It is a sure bet for heavy, consistent crops of large, white-fleshed pears. It is a golden yellow pear that is an extra good cooker and ideal for winter storage. It will keep for a longer time and gets very sweet and mellow after about a month. Kieffer is labelled PINK over RED.

PRICES:
2 yr. Large Trees — $2.49 2 yr. Medium Trees — $1.98
2 yr. Small Trees — $1.49

ORIENT

A brand new *BLIGHT-RESISTANT* variety that has been acclaimed outstanding everywhere that it has been tested. Without reservation, we, here at Wolfe Nursery, recommend Orient as perhaps the finest home orchard and commercial pear that has ever been sold. Sturdy, healthy trees, heavy production, high quality, and adaptability to all sections, place Orient on the top of the list of America's Pears. Its skin is lemon-yellow and the flesh is creamy white with a smooth, delicious texture. The shape of the tree makes it ideal as a yard tree. Labeled PINK over WHITE.

PRICES:
2 yr. Large Trees — $2.49
2 yr. Medium Trees — $1.98
2 yr. Small Trees — $1.49

There Never Was A Store-Bought Pear So Sweet, So Juicy, So Tender As A Pear Picked Ripe from Your Own Tree!

HOLLAND

Wolfe APPLES

HOME ORCHARD & COMMERCIAL

THE Holland Apple

DOUBLE RED DELICIOUS

Mother Nature must have decided to combine all the best qualities of apples into one when Holland was originated. When I first saw this grand apple at Weatherford, Texas, I knew it was the Apple that Texas and the great Southwest needed. For many years, Holland has proven to be a consistent, heavy producer of huge, dark, strawberry-red, smooth, firm, juicy-fleshed Apples. Its delightful flavor more than pleases the most exacting taste.

Being a native Texan, Holland is especially adapted to our climate and soils, but has proved outstanding wherever Apples are grown. Holland is the perfect apple for home planting. Of course, its most outstanding point is that it will consistently produce apples for us here in the South. Then, it's self-fertile. You do not have to plant another apple with it to get it to produce. You get heavy production with just one tree. It ripens early – July 20. It will fruit for you the 2nd year following planting. Labelled ORANGE over RED.

PRICES:

2 yr. Large Trees — $2.49 2 yr. Medium Trees — $1.98

2 yr. Small Trees — $1.49

GOLDEN DELICIOUS

HOLLAND PRODUCES YOUNG

Our Holland Apple orchard was planted in February and bore its first fruit 5 months later in July. Holland is the youngest bearing, heaviest producing apple we have ever grown.

DOUBLE RED DELICIOUS

Pictured left

The old King of red eating Apples that is grown from coast to coast with equal success. By thinning the fruit properly, Double Red will develop into a huge size. Our pure-strain Double Red bears loads of big, sweet, firm apples, that are a treat to enjoy. Trees you receive from Wolfe Nursery are budded from our own bearing orchards. Store-bought apples are picked before they are ripe and don't compare with those picked from your own trees. Double Red Delicious is NOT self-fertile and MUST be planted with either Holland, Golden Delicious, or King David. Double Red is labelled ORANGE over BLUE.

PRICES:

2 yr. Large Trees — $2.25 2 yr. Medium Trees — $1.69
2 yr. Small Trees — $1.29

THERE'S GRAND EATING PLEASURE IN *Golden Delicious*

Pictured left

By far the outstanding Apple in its class. Self-fertile and an excellent pollinator in the home or commercial orchard. Golden Delicious is a mild, juicy, sweet, crisp, white-fleshed apple with new-gold skin that has a distinctive flavor all its own. It is a richly fragrant and appetizing apple that belongs in every home planting. Like Holland, Golden Delicious is adapted to a wide territory and bears very young. Golden Delicious is labelled with an ORANGE stripe over a WHITE stripe.

PRICES:

2 yr. Large Trees — $2.25 2 yr. Medium Trees — $1.69
2 yr. Small Trees — $1.29

WOLFE'S DWARF

FULL SIZE – DELICIOUS FRUIT ON DWARF

WOLFE'S DWARF APPLE TREE

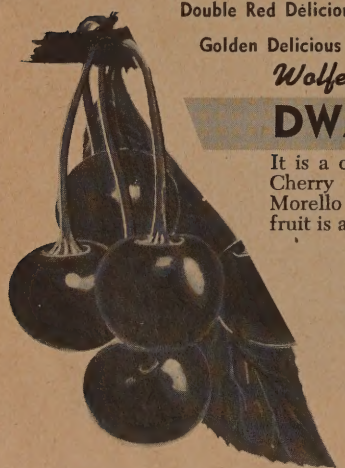
WOLFE'S DWARF APPLE TREES

These attractive small trees require little space, yet often bear the first or second year after transplanting. Highly prized for the small garden where space is limited since they can be planted 10 to 12 feet apart. Although the trees are dwarf in size, they will bear full sized fruit in great abundance. Can be planted anywhere you want a flowering tree as they are extremely decorative in spring when in bloom. Our trees are grown on imported Malling understock to insure dwarf tree. Plant some and enjoy picking fresh, luscious fruit from your own trees.

VARIETIES AND PRICES — 2 yr. — 3 to 5 ft. Trees

Double Red Delicious — $3.49 — 2 for $5.95

Golden Delicious — $3.49 — 2 for $5.95



Wolfe's

DWARF CHERRY

It is a cross between a very hardy Siberian Cherry and the English Morello. It is a Morello type of pie Cherry and at first the fruit is a bright red changing to a mahogany-red. The skin is tender and the flesh is juicy, meaty and tender. The tree is small by nature, but very productive. Ripens July 5th to 10th, and the fruit will hang on the tree in good condition for about two weeks. Promises to become a leading commercial variety.

GROWER'S PRICE

THE NEW LOOK IN FRUIT TREES PERFECT FOR HOME ORCHARDS AT CITY OR COUNTRY HOMES

Everybody likes home grown fruit. It tastes better when tree ripened and saves money, too. The newest innovation in home fruit tree growing is Dwarf Fruit Trees. You can plant a whole orchard in your back yard—for five trees can be planted in the same space as one standard size tree. They bear even quicker, often the first year after planting, yet the fruit is generally larger than grown on big trees, and with the same delicious flavor. Trees are dwarf, so small that you don't even need a ladder to pick the fruit and care for the trees, yet strong and sturdy enough to give you bushels of big, luscious fruit. Moreover, these dwarf fruit trees are ornamental. They have beautiful flowers in the spring, the trees are shapely and you get delicious home ripened fruit besides. Enjoy these easy-to-pick dwarf fruits without delay. Order today.

Wolfe's DWARF PLUMS

SMALL—COMPACT—TREES THAT FRUIT IN ABUNDANCE—PERFECT FOR THE HOME

*DWARF HOWARD MIRACLE PLUM

A spectacular variety—so different, so outstanding, that Howard Miracle Plum has been awarded a plant patent—Now we offer, for the first time, the Miracle Plum in colorful, productive, dwarf size trees—The fruit itself is unusually large—average diameter 2½ to 2¾ inches—and delicious flavor, not unlike the nectarine, peach, and plum mixed—The tree produces young, most often the second year—The Dwarf Howard Miracle is an attractive ornamental as well as a heavy producer—Plant Dwarf Howard Miracle this year.

PRICE EACH $3.49 — 2 for only $6.25

*DWARF BURBANK PLUM

One of the very finest of all eating plums—Now in Queen size, dwarf trees—Takes such a small amount of space—yet—produces full size, delicious fruit in abundance—A large purple plum, ripening about June 25—Plant dwarf fruits in your yard this year.

PRICE EACH $3.29 — 2 for only $5.95

*DWARF BRUCE PLUM

You will enjoy fragrant, beautiful blossoms as well as tasty large size plums from Wolfe's Dwarf Bruce Plum trees. These are heavy caliper—two year trees. They will normally fruit the second year after planting. For jellies—jams—eating fresh—for an attractive and unusual yard tree, plant Dwarf Bruce Plum now.

PRICE EACH $3.29 — 2 for only $5.95

*DWARF SAPA PLUM

This dwarf Plum Tree—small in size as it is—produces a superior quality fruit in such tremendous quantities that it is difficult to believe a tree so small, could produce so much. This is Mrs. Wolfe's jelly plum and she personally asks us to pass on the following words to you: "We've been growing plums here at our nursery for over 30 years, and I'm sure that over that period of time we have tested over 100 plum varieties. Never, during that period, have I ever seen any plums that made a more beautiful or tasty jelly than the Sapa Plum-Cherry. It has been our family favorite for over 20 years." The Sapa is a bountiful producer of rich, dark purplish-red plums that are just as sweet as sugar. It ripens the latter part of June. Labelled BLUE over PINK.

PRICE EACH $1.98 — 2 for only $3.69

The Stars of the Show!

Wolfe's

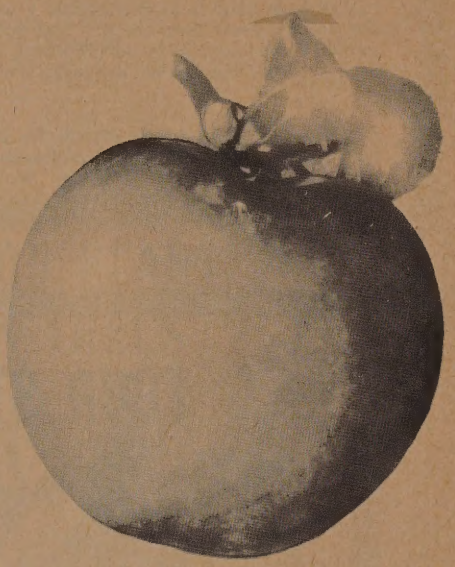
DWARF PEACH TREES

Throw away your ladders! Stand on the ground and pick bushels of Peaches. Bears second year planted. Our Dwarf Peach trees are grown on a special hardy, dwarf understock which assures you the tree will never grow more than 6 feet tall. Takes a small space in your yard. Heavy producer, enough delicious fruit for you and your neighbors. Will bear for years and years as this special rootstock is very long lived. Especially beautiful when in bloom.

*WOLFE'S DWARF ELBERTA PEACH

Wolfe's true strain—old time Elberta Peaches now growing on unusual, and attractive dwarf size trees—Here are trees that save space—yet you pick large size delicious fruit—often the second year—you will enjoy the fresh fruit—and you will like the "new look" in fruit when you plant Wolfe's Dwarf size fruit trees.

PRICES: Large Size — Each $2.95 — 2 for only $4.95



*WOLFE'S DWARF NEW ELBERTA PEACH

An all time favorite Peach variety grown in a brand new way—You, and the neighbors too, won't believe your eyes when you see the abundance of full size, beautiful fruit growing on your Dwarf Trees. The Dwarf New Elberta ripens about June 20—and it's a top notch, all around Peach—good for eating fresh, canning, or freezing—Plant Dwarf New Elberta now!

PRICES: Large Size — Each $2.95 — 2 for only $4.95

*WOLFE'S DWARF HALEHAVEN PEACH

We have budded Halehaven on our Dwarf understock because it is such a popular—and outstanding variety—Halehaven is a prize winning freestone that ripens about June 25. A self fertile, attractive Dwarf tree.

PRICES: Large Size — Each $2.95 — 2 for only $4.95

*WOLFE'S DWARF INDIAN PEACH

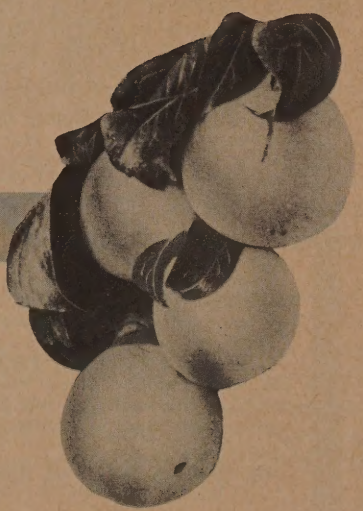
The finest pickling peach in the land—now in Dwarf size trees—This is the old time—red skinned—blood red meated Indian—good for eating fresh, too! Our Dwarf Indian Peach ripens about July 20.

PRICES: Large Size — Each $2.95 — 2 for only $4.95

*WOLFE'S DWARF GIANT HALE PEACH

A dwarf size tree—with giant size fruits—that is Wolfe's new Dwarf Giant Hale—A huge yellow freestone variety that ripens July 15—Giant Hale is perhaps the top show winner of all time—Its colorful red skin—golden yellow meat—and unusual size set it apart as one of the most outstanding of all peaches.

PRICES: Large Size — Each $2.95 — 2 for only $4.95



WOLFE'S DWARF APRICOTS

Apricot trees have always been treasured as much for their ornamental value—as for their delicious fruit—Finally, we now have available new, attractive, Dwarf size Apricot trees—and what a yard ornamental they make—We offer the finest of all varieties in apricots—The Superb—Plan now to plant Wolfe's Dwarf Apricot in your yard this year.

*WOLFE'S DWARF SUPERB APRICOTS

The very best of all Apricot varieties grown—Now in Dwarf size trees—In Superb we have found a large, richly colored, fine flavored apricot that can be counted on to produce good crops every year in the South as well as in the North. It's thoroughly adapted to our climate and soils and its yearly production of big, orange-yellow fruit is just what literally thousands of home owners have asked for for years. Our search for an apricot that would produce for you every year is ended. We proudly present Superb, a top variety, now in Dwarf size trees.

PRICES: Large Size — Each $3.49 — 2 for only $6.50

A PECAN ORCHARD — —

THE RECORD SHOWS—ONLY A FEW DOLLARS INVESTED TODAY MEANS SECURITY, EARNINGS, AND INCREASED LAND VALUE—FOR LIFE

GROSS YIELDS FROM $300 to $1000 PER ACRE. You will find Wolfe's customers throughout the southern United States and South America reaping each year from $300 to over $1,000 per acre, in gross income from an original investment of only a few dollars in PAPERSHELL PECAN TREES. Multiply this amazing return per acre by the number of acres the customer has planted in Wolfe's pecan trees, and you will find people earning gross incomes from a few thousand dollars to over a million dollars per year. There is no better proof than MONEY IN THE BANK.

INCREASES YOUR LAND VALUE FROM SIX TO TWENTY TIMES. All among Wolfe's pecan customers, you will find land valued from $600 to $2,000 an acre — with land next door without pecan trees selling for $75 and $150 an acre. The pecan tree has an ageless means of producing more nuts annually, and each year the land value increases accordingly.

COST OF TREES LESS THAN 2% OF AVERAGE TOTAL RETURN. Based on orchards following simple rules of good management, $1.00 invested in Wolfe's Pecan Trees has returned $96 over a twenty-year period, in gross income. As to the cost of Wolfe trees, you can plant your pecan orchard for as little as $27 an acre. This includes a full 18 trees to the acre — spaced 35 feet apart in rows 70 feet apart.

PECAN NUT PRICES CONSISTENTLY HIGH, AND CONTINUE TO GO HIGHER EACH YEAR. Total national production of 150 million pounds of pecan nuts per year is less than one-half the 320 million pounds needed to supply consumer demand. The forecast shows 500 million pounds will be needed to supply consumer demand within 5 to 10 years. In short, consumer demand is increasing much faster than production. No other commodity market reflects a brighter future than for the man with a PAPERSHELL PECAN ORCHARD.

WOLFE'S PECAN TREES BEAR IN RECORD TIME. The complete fibrous root system made possible by Wolfe's GIANT TREE DIGGER gives you significant production from one to three years sooner. Many trees will set pecan nuts the second year, with a heavier production yield throughout the orchard beginning with the fourth and fifth year. Machine-dug root systems, individually stake-trained trees, and irrigated production are factors in Wolfe's growing program that assure you of pecan trees that bear in record time.

FOUR STEPS TO LIFETIME EARNINGS WITH *Wolfe Papershell Pecan Trees*

1. **ESTIMATE YOUR LAND NEEDS**—Almost any well-drained productive farm land will grow pecan trees. Pecans produce well on both dry land and irrigated land. Determine your acre needs by the earnings you ultimately desire. Using an average yield figure from a good producing orchard of $400.00 per acre—divide this into the total gross income you desire, and you have the number of acres for your orchard.

2. **ESTIMATING COST, ORDERING, AND FINANCING YOUR TREES**—Using the COST PER ACRE SCHEDULE on the page to the right, you can determine your total cost of trees by selecting the size trees desired for your planting. Trees are available in three sizes. Larger size trees cost less in the long run because they produce sooner. Smaller trees cost less originally, but require a little longer to bear. All three sizes are satisfactory, but where sufficient capital is available—we recommend the larger size for most economical results.

   If you cannot finance the size orchard you desire, spread your planting over two or more years, and plant a specified number each year until your orchard is completed. Many customers find this convenient, and we reserve these trees for you at no obligation. Whichever route you choose, send your order in at the earliest moment, because only a limited number of pecan trees are available each year. Please allow us to make suggestions as to the best varieties for your area.

3. **PLANTING YOUR TREES**—Satisfactory holes for planting can be dug for only a few cents per hole with a tractor-powered post-hole auger. This equipment can be conveniently rented or contracted should you not have your own. Desired measurement for the hole is 12 to 14 inches wide and 40 inches deep. Even though the holes can be dug quickly—we suggest having them fully prepared before your shipment arrives. Complete planting instructions will be sent you in advance, with full details for planting, watering, and early care.

4. **MAINTENANCE & PRODUCTION OF YOUR ORCHARD**—Getting your orchard into production and keeping it in good condition simply requires following a few basic fundamentals. You'll be furnished complete information free of charge, covering your full operation—plus free consultation of Wolfe Nursery's horticulture staff with over 40 years experience in orchard management.

FOR OVER 40 YEARS WE HAVE NOT BEEN ABLE TO SUPPLY THE DEMAND FOR WOLFE-GROWN PECAN TREES. SEND YOUR ORDER TODAY!

MEANS INCOME FOR LIFE

COST & YIELD SCHEDULE—FOR YOUR PAPERSHELL PECAN ORCHARD

The table below shows the total cost of trees by the acre for your PAPERSHELL PECAN ORCHARD—plus an estimate of your yearly gross yield and increased land value per acre once in full production. The schedule includes 18 trees per acre, spaced 35 feet apart in rows 70 feet apart. NOTICE the additional discount savings with each increase in the number of acres you plant. Send for your order today! Example: To plant 10 acres in 1 to 3 foot size, your total costs for Wolfe's Pecan Trees would be $324.00. All prices f.o.b. Stephenville, Texas.

IF YOU PLANT	1 to 3 Ft. Size	3 to 5 Ft. Size	5 to 7 Ft. Size	IN FULL PRODUCTION: ESTIMATED YEARLY YIELD @ 400.00 per acre	IN FULL PRODUCTION: ESTIMATED LAND VALUE @ 800.00 per acre
1 Acre	$ 36.00	$ 63.00	$ 81.00	400.00	800.00
2 Acres	70.20	122.40	158.40	800.00	1,600.00
5 Acres	171.00	297.00	387.00	2,000.00	4,000.00

THE WOLFE NURSERY

BUILT ON *Customer Confidence*

ROSS R. WOLFE

For many, many years — actually, over a third of a century — good customers have depended upon Wolfe Nursery for their every plant need — Customers who have faith and confidence in what we say and what we sell — Customers that have come to know that the name Wolfe Nursery means quality, above all — Fair, square dealings — prompt, friendly service — and — prices that are actually lower because they are dealing *direct* with the grower — There's no middle man when you buy from Wolfe Nursery . . . Yes, this largest nursery in the South was built on customer confidence . . . But you know it's not that we are large that we earned the customers' confidence — It's not because of our modern buildings — or — the vast acres of ground that we grow our plants on — *It's because of the character of a company that makes it great* — because it is honest with its customers, sincere, conscientious — and genuinely interested in the people that trust us, when they order from us — Won't you order from us today — You'll receive the best in plants — at the fairest of prices — You, like our many regular customers, can depend on Wolfe Nursery.

E. E. RISIEN

E. E. Risien received the Gold Medal for his outstanding contribution to horticulture. This grand old man gave many new and valuable varieties to the Pecan world, such as Garner and Western Schley. By Mr. Risien's request, Wolfe Nursery is continuing his breeding work for bigger and better Pecans.

J. W. STUBENRAUCH

Famous breeder of Frost-Resistant Peach varieties. Frank and Frankie are two of several outstanding creations that have set production records. By his request, Wolfe Nursery is continuing his breeding work in Peaches.

T. V. MUNSON

World famous for creation of over 100 new Grape varieties. Carman is the leader. Received many medals from France and other countries. We purchased the famous Munson vineyards to preserve his many varieties and continue his work.

Money **DOES** *Grow on Trees*

Ross R. Wolfe founded Wolfe Nursery in 1920 and devoted his life to the selection and breeding of better fruit and nut varieties. Pioneer in soil building and diversified farming, paying orchard practices and civic improvements. Served as President of Texas Nurserymen, Pecan Growers, Fruit Growers, Chamber of Commerce, Lions Club, and Director of American Association of Nurserymen. His high standards and business ethics are known by the thousands who have continued to be loyal customers. I, Hugh Wolfe, and every member of Wolfe Nursery, pledge strict adherence to the policies and standards of Ross Wolfe.

LETTERS FROM WOLFE CUSTOMERS

Wolfe Nursery
Stephenville, Texas

Dear Mr. Wolfe:

A few years ago the Medina County Commissioners planted 15 pecan trees from Wolfe Nursery. Now, most of the trees are two to six feet higher than the top of the three-story Courthouse.

Truly, they are the most wonderful lot of pecan trees in the country. We spray them each year, and the crop of delicious pecan nuts that we gather is the talk of the County each Fall.

The fruit crop is barely past the halfway stage of development for this year and the trees are so full of pecan nuts that the limbs are heavily laden. Please write any information you can send as to the best method of artificial support for these bending limbs. We are too proud of the wonderful crop they bear to thin them out and run the risk of losing some of the branches because of the overweight of pecan nuts before we can gather them.

Thanks so much, and awaiting your answer,

Very truly yours,

Arthur H. Rothe
County Judge Medina County
Hondo, Texas

Jake Altergott
Loyal, Oklahoma

Wolfe Nursery
Stephenville, Texas

Dear Mr. Wolfe:

We received our fruit trees Saturday, and I want to say they were surely O. K. We were well-pleased with them. They certainly were well-rooted trees, and we set them out the same day they were received.

Jake Altergott
Loyal, Oklahoma

Wolfe Nursery
Stephenville, Texas

Route 1
Arapaho, Oklahoma

Dear Mr. Wolfe:

I have thought I would write you several times, especially when our peaches or other fruit was ripe. We surely have a wonderful orchard. We have 200 peach trees in bearing age. People are ripe, and Frank. have three rows of Texastas. They never ship and for many that are the loveliest Texastas I have ever seen. When they are ripe, their flavor they are the finest of all peaches. They never ship and for many that and never a worst so we have. We also have pears. We have two acres of apples, and they are so good as your Texastas. We sell a lot of apples and apricots and tures or orchard to show to you but in fruit time, we are the busiest have had wonderful luck with them. We could have taken pic- people in our country. people in the country.

Mr. and Mrs. Russell Roush
Route 1
Arapaho, Oklahoma

411 Mill Street
Granbury, Texas

Wolfe Nursery
Stephenville, Texas

Dear Mr. Wolfe:

I am writing you about the roses purchased from you in 1951. I have an arched trellis over the front door with two High Noon Climbers, which have now reached 6 to Ft. growth and are in bloom now. It is a very pretty and satisfactory rose.

However, the prize rose is the "Fashion." It has clusters of 6 or 8 roses, which would fill an 8" circle. The bush is about 3 ft. in diameter and I estimate it will yield over 100 roses. Our roses and shrubbery is 100% is your nursery that can beat this one. It has clusters of 6 or 8 roses, Wolfe.

Ernest C. Glaser
411 Mill Street
Granbury, Texas

Wolfe Nursery
Stephenville, Texas

Dear Hugh:

I am forwarding some mail to you that has come to me regarding the nursery. You see, many people consider me a part of your organization.

It is a constant source of amazement to me that you can satisfy so many customers so well. Since going on the air for Wolfe Nursery nearly four years ago, I have had no serious complaints.

I want to congratulate you on your fine new plant and the completion of another banner season. The Wolfe Nursery is a real asset to Texas.

5 VARIETIES ON ONE TREE

5 IN ONE APPLE

A COLORFUL – UNUSUAL – ATTRACTIVE TREE THAT FRUITS IN ABUNDANCE

Now you can pick five delicious varieties of Apples from one tree. Yes, you now have the advantage of a small Apple orchard without taking up the space required for planting five separate trees. Just imagine, five different, deliciously flavored Apples all from the same tree. Have Apples growing all summer—early, midseason, late, all crisp, juicy and wonderful. Some of the finest varieties available including: Double Red Delicious, Double Red Jonathan, Golden Delicious, Yellow Transparent, McIntosh. With its flowers, rich green foliage and fruit, it is attractive enough to plant in front yard.

GROWER'S PRICES:

4 to 6 ft. Vigorous Trees $3.49

2 for only $6.49

Sweet and Tart CHERRIES

COLORFUL — EASY TO GROW FRUITING TREES

BLACK TARTARIAN

A large, sweet, black cherry, known best as an ideal fresh eating fruit. The Cherry is rich and flavorful—the tree a vigorous, upright grower that is a colorful, welcome addition to any landscape plan. It takes such a little bit of space to grow cherries that no home orchard should be without one or two. The unusual, appetizing flavor of juicy homegrown fruit pays you back a hundredfold for the small amount of effort it takes to grow and care for the trees. Black Tartarian is labelled WHITE over RED.

PRICES:

2 yr. Large Size Trees $2.98 — 2 for $5.50

2 yr. Medium Size Trees $2.49 — 2 for $4.50

2 yr. Small Size Trees $1.98 — 2 for $3.50

MONTMORENCY

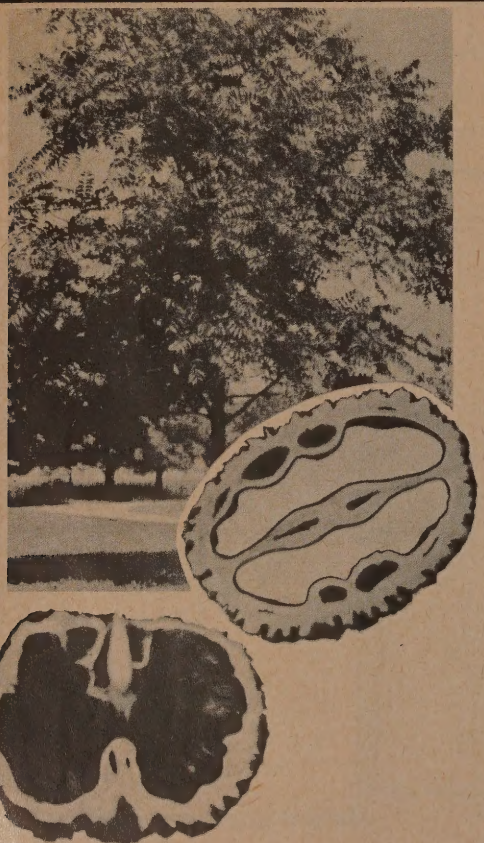
The best known and the most widely planted of America's tart Cherries. The fruit is large size, its color bright red, and its flesh firm. It's the principal canning cherry because of its dependable production and the hardiness and disease resistance of the tree. Plant only in altitudes of 600 feet and up. Labelled WHITE over GREEN.

PRICES:

2 yr. Large $2.98 — 2 for $5.50

2 yr. Medium $2.49 — 2 for $4.50

2 yr. Small $1.98 — 2 for $3.50



Thomas BLACK WALNUT

A BEAUTIFUL SHADE TREE PRODUCING FLAVORFUL, TASTY, THIN-SHELL WALNUTS

This Jumbo, thin-shell Black Walnut will grow and bear in all sections —from the Gulf Coast to Canada. How easy it is to pick tasty bushels of these big, delicious walnuts from your own trees and store them for those cold winter days for eating fresh or making delicious candies. Thomas Black is an ideal shade tree. It grows fast—is disease-resistant—and its deep green leaves make valuable shade in your yard. Thomas Black starts bearing the first year in our nursery rows. Some trees are now producing from 20 to 30 bushels of giant Walnuts. Labelled with two RED stripes.

Honey-Sweet

MELBA

The Best Tasting — The Best Eating Peach of Them All

Produces delicious honey-sweet peaches from early June through most of July—longer than any other peach. Everyone unanimously says "it is the best peach I ever tasted." This queen of all eating peaches is also a real summer treat for fresh home-made ice cream and preserves. Melba is a heavy producing freestone, frost resistant, and easy to grow in all areas. Labeled with TWO RED STRIPES.

PRICES: Large $2.98; Medium $2.49; Small $1.98
2 for $5.50; 2 for $4.50; 2 for $3.50

TEXABERTA

The Nation's Perfect Peach

A perfect freestone that ripens about July 10. This outstanding peach has not missed a crop at Belton, Texas, since it was originated 24 years ago. Combine the best qualities of all peaches, add a few, and you have Texaberta. It has bright red, juicy flesh around the seed, forming into deep, tender yellow toward the bright red-covered skin. Delicious? — well, you just don't know what good eating is until you have had the juice of a Texaberta running down your chin after a good bite. Texaberta produces in mild climates where Elberta is a failure — and — it is extra FROST-RESISTANT. Texaberta is sold only by Wolfe Nursery and is labelled with a RED stripe.

2 yr Large Trees — $2.49 2 yr. Medium Trees — $1.98
2 yr. Small Trees — $1.49

TOP SHOW WINNER

GIANT HALE

GRAND WINNER AT FRUIT SHOWS ALL OVER AMERICA

A Grand Champion Show Peach that draws more attention and brings higher prices on the market than any variety that we know. Giant Hale is a yellow freestone that ripens July 15th. Its skin is a deep, rich red, and its meat a bright yellow. We have Giant Hales come out of our bearing orchard that would weigh over a pound and would be as much as a foot in circumference. It's a giant all right and you will be proud of the results you get when you plant Giant Hale. Labelled YELLOW.

2 yr. Large Trees — $2.49 **2 yr. Medium Trees — $1.98**
2 yr. Small Trees — $1.49

WOLFE'S NEW OFFER

All-Summer-Special

Fresh Peaches ripening from early June through most of August—are yours with the THREE GREAT VARIETIES in the All-Summer Special! You get the delicious Honey-Sweet MELBA, famous WOLFE ELBERTA, and FRANK—all ripening in that order. With this select offer of famous peach varieties, you will have peaches for preserving, quick-freezing, home-made ice cream, and for fresh eating right off the tree—an all-summer supply for all occasions.

Save 25% — all three for only *$2.98*

New Elberta

POPULAR ALL-AROUND FAVORITE

This is a juicy, yellow freestone that ripens about June 20. The first of its class to reach the market, New Elberta has been widely planted as a commercial peach because of its young bearing habits and high quality fruit. It is a good home orchard variety, since it is an extra fine all-around peach. Whether you want to eat it juicy ripe off the tree, can, or freeze it, you'll like New Elberta. Grown and guaranteed by Wolfe, new Elberta is labelled with one PINK stripe.

2 yr. Large Trees — $1.98
2 yr. Medium Trees — $1.49
2 yr. Small Trees — $ .98

NEW ELBERTA

HALEHAVEN

A prize-winning freestone that ripens June 25th. Halehaven is a large, beautifully colored, yellow-fleshed peach that is without question one of the finest canners grown. Commercial orchardists know Halehaven as a bountiful producer and a splendid shipper that brings top prices on the market every year. It is perfectly self-fertile, extremely hardy, prolific, and a good pollinator for other peaches. Labelled with two BLUE stripes.

2 yr. Large Trees — $1.98 2 yr. Medium Trees — $1.49
2 yr. Small Trees — $ .98

WOLFE'S ELBERTA

Would you believe that there are over 100 kinds of Elbertas being sold by nurseries? Very few have the original pure-strain that gained world-wide fame for its size, color, flavor, and bearing habits. The buds that we use come right off trees in our own bearing orchard. It's the oldtime Elberta that our parents knew and remembered as being one of the most dependable bearing trees of all time. Our true Elberta, a huge, yellow freestone, ripens July 10th. Labelled with one GREEN stripe.

2 yr. Large Trees — $1.98 2 yr. Medium Trees — $1.49
2 yr. Small Trees — $ .98

INDIAN (Pictured Lower Left)

A real handful of the most outstanding, red-fleshed, red-skinned peach that is grown. Mrs. Wolfe says it is the finest pickling peach in the land, and women who live in the Stephenville area come to our orchards every year when the Indians get ripe—they buy them and pickle them, and the whole family has a treat all winter long. Not only are they a treat when they are pickled though—they're fine eatin' when picked ripe right off the tree. Our true-strain, old Indian Cling ripens July 20. Indian is labelled ORANGE.

2 yr. Large Trees — $1.98 2 yr. Medium Trees — $1.49
2 yr. Small Trees — $ .98

ELBERTA

FRANK PEACH

One of the best All-around Peach varieties of all time—the heaviest producing variety in our own orchards here at Wolfe Nursery—FARM AND RANCH Magazine says, "The most outstanding peach produced in the Southwest." That just about tells the story, for Frank is outstanding in every respect. It is a large, firm, juicy, yellow cling that ripens August 10th. It's so sweet that most women can them without sugar. Frank's record year-in, year-out production proves its value as an outstanding frost-resistant variety that is a "must" in every home or commercial orchard. Labelled with one WHITE stripe.

2 yr. Large Trees — $1.98 2 yr. Medium Trees — $1.49
2 yr. Small Trees — $ .98

FRANK

Wolfe's PERSIMMONS-

COLORFUL

Allred Plum

We know of no other fruit tree that offers such beautiful blossoms during the spring – such outstanding, colorful red foliage all during the growing season – and such delicious eating. Allred is a dual purpose tree – not only does it produce one of the nation's outstanding quality plums, it is absolutely unsurpassed as a beautiful and colorful landscape tree. The fruit looks like a dark cherry, only larger, and its flesh is a juicy, deep red. It is ideal for either eating fresh off the tree, or for making a tasty, bright red jelly. The leaves are RED – the stems and branches are RED. The fruit is RED inside and out, and the tiny seed is RED. Allred is truly ALL RED. Labelled with a BLUE stripe over a WHITE stripe.

2 yr. Large Trees — $2.49 **2 yr. Medium Trees — $1.98**
2 yr. Small Trees — $1.49

BURBANK PLUM

One of the finest eating Plums that ripens about June 25th. It is a large, purplish-red Plum with deep yellow, delicious flesh. A very prolific variety that was created by, and named for, a great man. Burbank is an excellent commercial Plum, and sells in the fancy fruit class. It is labelled with a BLUE stripe over a GREEN stripe.

PRICES:
2 yr. Large Trees — $1.98
2 yr. Medium Trees — $1.49
2 yr. Small Trees — $1.29

BRUCE PLUM

The best large red Plum grown in the South. The tree is very healthy, bears very young and produces loads of Plums nearly as large as a hen egg. It ripens early in June, and growers report getting $8.00 per bushel on the New York market. Other varieties of Plums must be planted with Bruce for pollination. It is the only variety on our list that is not self-fertile. In commercial plantings, we recommend planting one pollinator to twenty Bruce. Bruce is labelled BLUE over RED.

PRICES:
2 yr. Large Trees — $1.98
2 yr. Medium Trees — $1.49
2 yr. Small Trees — $1.29

a lovely ornamental Shade Tree
a dish fit for a King

JAPANESE PERSIMMONS

TANI NASHI

A long, bright orange Jap Persimmon that is seedless. Finest quality to be had. We have picked Tani-Nashi when snow covered the ground. What a Beautiful sight! Persimmons with a white snow background! It is frost-resistant and widely adapted. Deliciously flavored. Plant trees 20 feet apart. Tani-Nashi is labelled YELLOW over RED.

2 yr. Large Trees — $2.98 **2 yr. Medium Trees — $2.49** **2 yr. Small Trees — $1.98**

JAPANESE PERSIMMON SPECIAL

These trees make such lovely landscape trees that many customers want them in groups of 3. This collection is made up of 3 Jap Persimmons—one-year-old trees at a big saving for you.

3 for $4.98

EUREKA PERSIMMON

A very hardy variety with a most delicious flavor. Sometimes seedless Big red fruit literally cover the tree and hang until soft ripe. Our system of using fruit-buds causes Wolfe-grown trees to produce young and heavily. When served with a few drops of lemon juice, sugar, and thick cream, Eureka is a dish for a king. Eureka is labelled YELLOW over WHITE.

2 yr. Large Trees — $2.98 **2 yr. Medium Trees — $2.49**
2 yr. Small Trees — $1.98

PLUMS-NECTARINES

DWARF
Sapa Plum Cherry

This dwarf Plum Tree—small in size as it is—produces a superior quality fruit in such tremendous quantities that it is difficult to believe a tree so small, could produce so much.
This is Mrs. Wolfe's jelly plum and she personally asks us to pass on the following words to you: "We've been growing plums here at our nursery for over 30 years, and I'm sure that over that period of time we have tested over 100 plum varieties. Never, during that period, have I ever seen any plums that made a more beautiful or tasty jelly than the Sapa Plum Cherry. It has been our family favorite for over 20 years." The Sapa is a bountiful producer of rich, dark purplish-red plums that are just as sweet as sugar. It ripens the latter part of June. Labelled BLUE over PINK.

2 yr. Large Trees — $1.98 2 yr. Medium Trees — $1.49
2 yr. Small Trees — $1.29

SAPA SPECIAL
Three Choice CHERRY PLUMS for Jams and Jellies 3 for $3.29

HOWARD'S MIRACLE PLUM

THE INTRODUCTION of the "Miracle Plum" marks an epoch in the advance of fine fruits for the table. The tantalizing and delicious flavor, the great size, firm amber flesh, combined with its delightful color. place the "Miracle Plum" in a class by itself. Invariably, after tasting the "Miracle Plum," comes the exclamation: 'This fruit is truly a miracle. It is something out of this world." Here are some facts about the "Miracle Plum": Extraordinarily large size fruit, average diameter 2½ to 2¾ inches. An astounding surprise to the palate, flavor not unlike the Nectarine, Peach and Plum mixed; skin thin and unnoticeable when eating fruit, miniature stone, meat Nectarine-like in quality. Keeping qualities excellent, delicious in preserves, fruit ripens over a long period during July and August. Exceedingly fast growing and quick bearing tree which will bear fruit second year after planting. Beautiful ornamental tree of medium size, foliage persistent, in Autumn richly tinted not unlike the leaves of the Maple. Can be grown in a small garden. Labelled Blue over Orange.

2 yr. Large Trees — $2.49 2 yr. Medium Trees — $1.98
2 yr. Small Trees — $1.49

SPECIAL 3 NECTARINES $4.29

A distinctively different Fruit

NECTARINE

The Nectarine is such a delicious fruit it has always been a source of disappointment that there has been no Nectarine variety which was dependable in this area. Only now have we succeeded in getting a Nectarine that has stood the test. These big, bright red and yellow fruits are unbelievably good, and so good looking that you will keep a bowl of them on the table just for ornament. (We guarantee they won't stay in the bowl long, they taste too good.) You'll not have to hope for a crop—you'll get it every year without fail. Add to all this the fact that the big spring blooms have such a lovely clear pink color that it is almost as ornamental as the finest flowering Peach—after all this, does it sound as if you could afford to be without it? Ripens in July.

2 yr. Large Trees — $2.49 2 yr. Medium Trees — $1.98

ROSSBERRY

The Greatest Berry I've Ever Found

Juicy cobblers made with fresh berries, home-made jam with gobs of butter and hot biscuits — those are the things that the whole family can enjoy. The eating pleasure that you get from your own berry patch is worth time and time again the little amount of work it takes to grow berries.

THE INCOMPARABLE

ROSSBERRY

IT HAS EVERYTHING and is the sensation of quick-freezing. It is huge in size, and has the unusual combined flavor of Raspberry, Loganberry, and the sweet Blackberry. It fruits the first year after planting and withstands cold and drought. It actually likes dry weather. Remarkably free of the usual diseases. Small, soft, seeds are very few. Now growing in over sixty Federal and State Experiment Stations. First berry to ripen and a very heavy producer. 600 gallons per acre. Grows on a trellis and very easy to pick. As told by the original grower, Rossberry was created by Luther Burbank and went undiscovered for many years.

PRICES:

10 Plants — $1.95
20 Plants — $3.69
30 Plants — $4.95
40 Plants — $5.95

THERE IS BIG MONEY IN A BERRY PATCH

and S. J. Boase proved it!

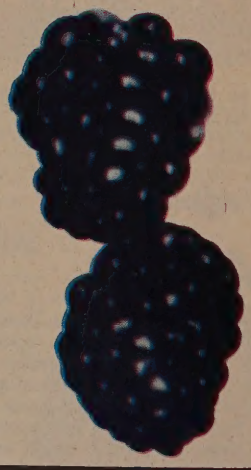
S. J. Boase, of Route 1, Stephenville, Texas planted a small patch of Dew Blackberries in the spring of 1957—In the summer of 1958 his patch gave him an average return of $272.00 per acre—*This year* in the summer of 1959 his average return was *$720.00 per acre!* Mr. Boase's investment in berry plants was only $193.60 per acre—See more information below.

THORNLESS BOYSENBERRY

A huge maroon-red berry that grows on an absolutely thornless vine. Its juicy, tangy flavor makes it ideal for fresh eating, canning, cobblers, jams, pies, or jellies. Thornless Boysenberry is adapted the country over and it thrives and produces heavily on back yard fences.

PRICES:

10 Plants — $1.49
20 Plants — $2.49
30 Plants — $3.49
40 Plants — $4.49



DEW-BLACKBERRY

A wonderful cross between the old, delicious Dewberry and the tasty, sweet Blackberry. There's not a more delicious fruit grown than Wolfe's Dew-Black. Heavy producing, disease resistant plants make Dew-Black one of the most outstanding of all good berries.

PRICES:

10 Plants — $1.49
20 Plants — $2.49
30 Plants — $3.49
40 Plants — $4.49

PLANT A BERRY PATCH FOR EXTRA INCOME — HERE'S HOW TO DO IT

You can make extra money, just as S. J. Boase (above) has done—Berries are easy to plant, easy to grow, and require little care—Planting berries in 6 ft. rows, 3 ft. apart, here is your cost—(¼ acre $60.50) (½ acre $114.95) (1 acre $193.60) (2 acres $363.00) (5 acres $847.00) (10 acres $1,573.00)—We will supply you with complete information concerning planting and care.

APRICOTS

SELECTED HEAVY BEARING VARIETIES FOR YOUR HOME ORCHARD

SUPERB

SUPERB

Most Outstanding of All Apricots Adapted to the Southland

In Superb we have found a large, richly-colored, fine flavored apricot that can be counted on to produce good crops every year in the South as well as in the North. It's thoroughly adapted to our climate and soils and its yearly production of big, orange-yellow fruit is just what literally thousands of home owners have asked for for years. Our search for an apricot that would produce for you every year is ended. We proudly present Superb. Labelled with a GREEN stripe over RED.

PRICES:

2 yr. Large Trees — $2.98 2 yr. Medium Trees — $2.49
2 yr. Small Trees — $1.98

MOOR PARK

MOORPARK

The most popular commercial apricot grown and adapted to most all sections. It is rather a large Apricot with tender, sweet orange flesh. It separates easily from the small seed and is a grand variety for eating fresh, canning, or drying. Hangs on the tree remarkably well. Every home orchard should include apricots, for the tree-ripe fruit has a flavor that just can't be matched. Moorpark is labelled with a GREEN stripe over a BLUE.

PRICES:

2 yr. Large Trees — $2.98 2 yr. Medium Trees — $2.49
2 yr. Small Trees — $1.98

WOLFE NURSERY

PLANTING DISTANCES

Give Plants Enough Room

Planting distances between trees depend primarily upon the type of tree, its purpose, the amount of rainfall, and the fertility of the soil. For example, trees planted in East Texas and the Southeastern States may be planted closer together than those of West Texas and New Mexico, because of the greater rainfall in the Eastern section.

To make allowance for these factors, the following distances are recommended:

Apples, Pears, and Apricots	30 to 40 ft. apart
Cherries, Plums, and Cherry-Plums	20 to 25 ft. apart
Figs	15 to 25 ft. apart
Grapes	10 to 16 ft. apart
Peaches and Persimmons	20 to 30 ft. apart
Pecans and Walnuts	40 to 60 ft. apart
Shade Trees – large growers: Chinese Elm and Sycamore	30 to 50 ft. apart
Medium to small growers: Mimosa, Red-bud, and Weeping Willow	20 to 40 ft. apart

These trees may be spaced closer together when planted in a single row or in yards.

Dew-Black berries	Plant 3 ft. apart in rows 6 ft. apart
Rossberries and Thornless Boysenberries	Plant 4 ft. apart in rows 6 ft. apart

CHRYSLER IMPERIAL

AARS

Chrysler Imperial Rose

Most Spectacular Red-Red-Rose in the World - - - None other like it!!

(Left) Like a precious stone, Chrysler Imperial displays jewel-like tones of vivid crimson in the broad, open petals, heightened by dark overtones of glowing oxblood-red, with the gem-like luster of garnets in the folds. These tones retain their sparkling beauty throughout the life of the flowers. Evolving from long, tapering, velvety maroon-red buds, this lovely rose, like the facets of a diamond, changes with the play of light; as it opens to its full 4½ to 5-in. size, the iridescent shades of red become more brilliant. The abundant, very large, high centered blooms are borne singly on perfect, sturdy, medium long cutting stems. The beautifully formed flowers have 40 to 50 wide petals, symmetrically arranged and overlapping. This All-America selection winner for 1953 has a well balanced, compact bush with abundant dark green foliage. Plant Pat. No. 1167.

PRICE EACH: AAA Jumbo Grade — $2.50
3 or more — $2.20 Each

PEACE

AARS

PEACE

Certainly this All-America Winner for 1946 is one of the most beautiful of all Roses. Perhaps its chief beauty is the great range of colors through which it passes. The full ovoid bud is deep yellow, with the edges of the petals picoted cerise. It slowly opens to a glorious 5-inch bloom with shades of canary-yellow, pale gold, cream, pearly white, and apple blossom. Although the bloom is unusually large, double and long-lasting, the dainty coloring gives it marvelous beauty. The plant is just as large and fine as the blooms, being above average in size, and the flowers are borne on long straight stems above the vigorous shining foliage. The fragrance is moderate. No such amazing combination of strong stems, fine lasting qualities, and huge, perfectly formed, delicately colored Roses, ever existed before. Plant Pat. No. 591.

PRICE EACH:
No. 1 Jumbo Bushes — $2.50
3 or more — $2.20 Each

Top winner at Rose Shows all over the world.

ROSES

STUNNING IN THE GARDEN

BEAUTIFUL IN THE HOME

Show Girl PERFECTION IN PINK

This delightful Show Girl is lovely "Perfection in Pink." From early spring 'til hard frost, the vigorous bush produces long pink buds of unusual beauty. Since its recent introduction, the popularity of Show Girl has risen with meteoric rapidity. It is a joy to grow and its cut flowers are exquisite. We recommend Show Girl to you with enthusiasm for we know that you, too, will love our Show Girl. Plant Pat. No. 646.

PRICE: AAA Jumbo Grade — $2.00 Each
3 or more — $1.75 Each

SHOW GIRL SPECIAL OFFER—ROSE OFFER NO. 999

● Show Girl ● C. Armstrong ● H. Traubel

You Save $ .80 ALL 3 ONLY $5.70

CHARLOTTE ARMSTRONG

Since its introduction when it won the sole All-America Award, Charlotte Armstrong has become the favorite rose in thousands of rose gardens throughout the country. In our opinion, it remains the top All-America Winner out of all the fine varieties given this honor. Certainly it is one of the finest roses that we grow here at Wolfe Nursery. If you are planting it for the first time, you will marvel (as we still do) at the beauty of the lovely, long carmine-red buds, with their perfect streamlined form, and at the magnificent open blooms of rich cerise. The open flower is usually 3 to 4 inches in diameter, with about 30 petals, high-centered, remaining a beautiful rich color until the last petals drop. No printer's inks can illustrate the richness of its color — you have to see it to appreciate it. Plant Pat. No. 455.

PRICE: AAA Jumbo Grade — $2.00 Each
3 or more — $1.75 Each

CHARLOTTE ARMSTRONG

HELEN TRAUBEL

Superb Rose Collection

A superb collection bringing together the most famous — most outstanding, Hybrid Tea Roses of all time — Special Anniversary Price . . . .

★ PEACE—All American 1946
★ CHRYSLER—All American 1953
★ H. TRAUBEL—All American 1952

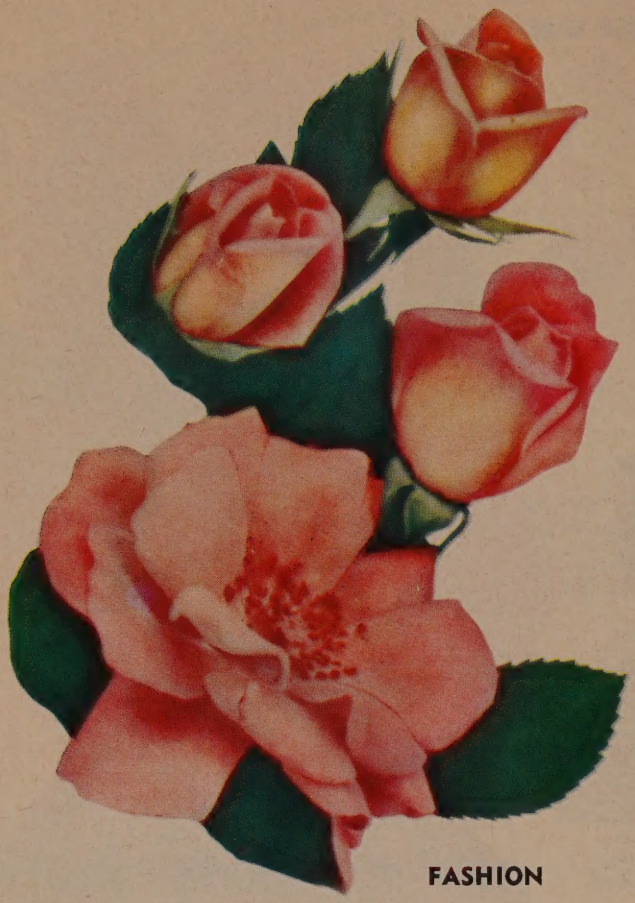
OUR TOP 3 ROSES $6.60

As Magnificent as it's Namesake

HELEN TRAUBEL

Once in a while a new rose appears which from the very first displays such superior qualities that there is never any doubt about its ultimate popularity. Such a rose is Helen Traubel, which we think is probably the finest new variety that we have introduced since Charlotte Armstrong. The All-American judges have confirmed our opinion by honoring it with an AARS Award for 1952. In Italy the Gold Medal of Rome was conferred upon it in June, 1951. The color varies with the weather — sometimes a light sparkling pink, more often a luminous apricot color (its most characteristic shade), sometimes verging into a rich bronzy orange. Its unusually large, long slender buds are magnificent in themselves.

PRICE: AAA Jumbo Grade — $2.50 Each
3 or more $2.20 Each



FASHION

FLORADORA

IMPROVED LAFAYETTE

The Glorious FLORIB

Fashion

Only Rose Ever to Win 6 International Awards!

All America Awards Winner for 1950, Fashion blooms are bright coral-peach, a most amazing color because it is so brilliant and, at the same time, so soft and lovely. There is no other Rose color like it. Add to this the exquisite form of both the bud and open flower, and you will see why this Rose is being hailed with such enthusiasm. It has won the National Rose Society's Gold Medal in England and the famous Bagatelle Gold Medal in France. Scores and comments of the All-America judges gave it high praise, also. The open blooms are about 3 inches across or larger. Buds open slowly to a wide-open flower with gracefully waved petals and a rich display of golden stamens. Pleasing old-Rose fragrance. Plants are good and vigorous, bushy, with neat, small, glossy foliage. It reaches a height of 2½ to 3 feet, with few thorns. We consider it a gem, as it brings a brand-new, enchanting color to Floribunda Roses. Plant Pat. No. 789.

AAA Jumbo Grade — $2.00 each **3 or more — $1.75 each**

FLORADORA

The breath-taking color of Floradora makes it one of the outstanding Floribundas. Very deep orange-red buds open up to 3 to 4 in., cup-shaped blooms of sharp vermilion-red. These flowers appear in strong bright clusters of 4 to 10 blooms. The plant grows 2½ to 3 ft. tall and is constantly in flower. Shiny green, wax-like foliage is rugged and forms an excellent contrast to the red blooms.

AAA Grade — $1.19 ea. **AA Grade — $ .98 ea.**

IMPROVED LAFAYETTE

Especially bright crimson, velvety-petaled flowers 2½ to 3 inches across. Makes a constant show in the gardens. Produced in generous clusters, the dainty buds open slowly until each cluster bursts with handsome crimson flowers. These enormous clusters last two and sometimes three weeks. As one flower finishes, new buds open to take its place. Sturdy and hardy, with an 18-inch disease-resistant bush.

AAA Grade — $1.19 ea. **AA Grade — $ .98 ea.**

PINOCCHIO

Thousands of our customers know and love the widely acclaimed Pinocchio Rose. Its delicate beauty goes straight to your heart. Great clusters of gracefully pointed buds of rich salmon flushed with gold at the base open up to long-lasting exhibition-formed blooms like miniature Hybrid Teas. As the "sweetheart" flowers open, they change to soft, lucid pink and shade into deeper pink at the edges. This persistent bloom continues all summer long. The 20 to 24-in. plant is extremely hardy. The ample, rich dark green foliage is very disease-resistant. Carefree as the puppet Pinocchio are the captivating buds and blooms of this perennial favorite. Cool pink masses are refreshing. (Pl. Pat. No. 484)

AAA Jumbo Grade — $1.50 ea.

PINOCCHIO

UNDAS

Create Lovely Effects

WITH BUNDLES OF ROSE BLOOMS

Floribunda varieties planted in solid beds give a magnificent display all summer long. People in Europe have long known this for they've jeweled the continent with millions of them. You get lovely effects with these cluster roses by planting them in small groups in front of shrubbery in combination with perennials. A bed of new and famous Floribunda variety "Fashion" is simply breath-taking.

Red Pinocchio

Of all the Floribunda Roses that we grow none is so vigorous, so free-blooming, so lovely, as is our Red Pinocchio. It is a deep, deep wine red that never fades. It flowers in immense clusters, and blooms are in abundance from early spring until hard frost. Red Pinocchio is extremely hardy and disease-resistant. For a border or specimen plant of magnificent beauty, order Red Pinocchio today.

AAA Jumbo Grade — $1.50
3 or more — $1.25 each

RED PINOCCHIO

GOLDEN *Goldilocks*

Here is the long-awaited true golden yellow floribunda. The buds are ovoid in shape, resembling miniature hybrid teas in form, and a rich golden yellow in color. Opening slowly and gracefully, they pass through many attractive stages. Goldilocks lasts a long time, as fresh new buds keep replenishing the overall effect of the golden yellow mass. The foliage is glossy, dark green, decorative and abundant. Perfect for border, bed, specimen or base planting.

AAA Jumbo Grade — $1.50
3 or more — $1.25 each

ELSE POULSEN

The Floribunda that no one ever tires of, is always a mass of blooms. In June its colorful myriads of blossoms are a glorious sight. All through the summer the buds and flowers continue to attract interest. Buds are lively red, opening to shell-pink color. The healthy, vigorous plants are sturdy yet delicate in appearance. An established plant in a sheltered position will grow 4 ft. tall or more. Large bloom clusters in spring and continuously all season. Abundantly branched, with lush, green foliage, it is extremely hardy.

AAA Grade — $1.19 ea. AA Grade — $ .98 ea.

ELSE POULSEN

GOLDILOCKS

Etoile de Hollande

ETOILE de HOLLANDE

MAGNIFICENT RICH RED HYBRID TEA ROSE

Beautifully formed blooms with a furled center. Deep, vivid crimson in color, with a velvety texture. Good stems hold the flowers erect on vigorous plants. Direct-from-the-Grower — WOLFE NURSERY

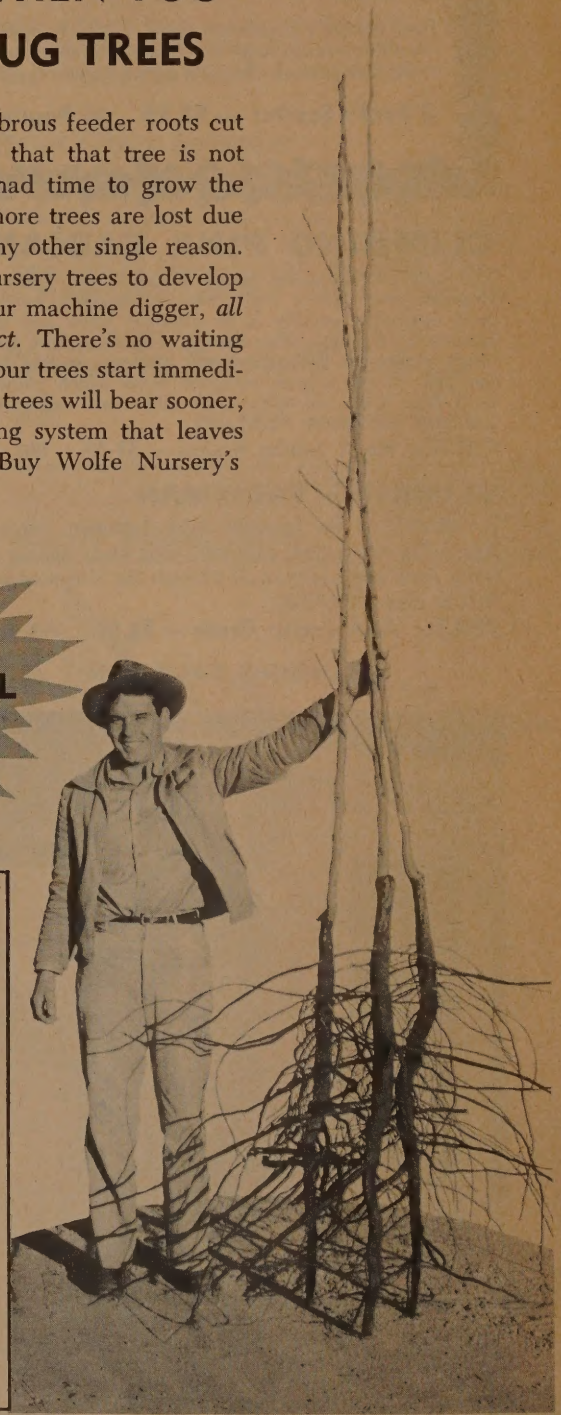
Wolfe Nursery, with over 40 years of experience in shipping fresh-dug plants direct to the customer, guarantees the quality of all plants shipped to you. The plants that you order from Wolfe Nursery must be of satisfactory quality and reach you in good condition or you can return them at once for free replacement or refund. Enjoy the pleasures of planning your landscape or orchard in the comfort of your own home—because WOLFE NURSERY IS AS NEAR TO YOU AS YOUR MAILBOX. Send in your order today for GUARANTEED QUALITY direct from the grower—Wolfe Nursery.

A YEAR IS GAINED WHEN YOU PLANT MACHINE DUG TREES

When you plant a tree that has its fibrous feeder roots cut off, you can bet your bottom dollar that that tree is not going to grow a single inch until it has had time to grow the feeder roots back again. In our opinion, more trees are lost due to the lack of sufficient root system, than any other single reason. You do not wait a single day for Wolfe Nursery trees to develop a root system. When we dig trees with our machine digger, *all of the fine fibrous feeder roots remain intact.* There's no waiting —no delay—and you've gained a year, for your trees start immediate growth. Your trees will live—and—your trees will bear sooner, thanks to Wolfe Nursery's machine digging system that leaves feeder roots intact. Buy only the Best—Buy Wolfe Nursery's guaranteed trees.

LOOK AT WOLFE'S WONDERFUL PAPERSHELL PECAN TREES



AND FROM VERNON, TEXAS COMES THIS LETTER

Dear Mr. Wolfe:

I should like to take this opportunity to write and tell you how much your shrubs and trees have helped to beautify homes and produce fruits and nuts for this locality.

During the last 5 years, we have planted more than 200 of your fine pecan trees. *Some of them produced the first year.* We agree wholeheartedly when you say that a Wolfe Nursery pecan tree is a fast-growing tree. Our more than 1,000 fruit trees are a wondrous sight to see. In addition, we have planted literally thousands of your evergreens and flowering shrubs on the Waggoner Estate properties.

Our success with Wolfe Nursery plants has been spectacular, and I personally attribute this success to two things—First, they have been grown under conditions to make them hardy; Secondly, they are properly dug and wrapped before shipment.

We appreciate the quality of the plants you have sent us, and we are grateful for your courteous service.

Sincerely,
Olan Genn, Agronomist
W. T. Waggoner Estate
Vernon, Texas

IT IS EASY and CONVENIENT TO ORDER FROM YOUR DEPENDABLE WOLFE NURSERY

In the privacy of your own home you can order from Wolfe Nursery the finest, most reliable nursery plants that are grown. Use the simplified order sheet which is in the center of this catalogue. The name of everything in this catalogue is listed on the order sheet as follows: name, color label, size, price each – all you have to write is the quantity and total price. Carry the total of each column to the Special Offers where you write TOTAL. Place your simplified order blank into the handy envelope and send to us today. Note: If trees or plants are sold by specific size, that size is shown on order blank. Many trees are sold as 2-yr. mediums or 2-yr. large trees. This will be shown in "size" Column of the order blank as MED. for medium or LAR. for large.

NURSERY STOCK IS SHIPPED AT PROPER PLANTING TIME

We begin shipping just as soon as the plants are properly cured by frost – Usually this is around Dec. 1st – Sometimes sooner – all depending upon the weather – Some items, such as mums, are not ready until Spring – You may depend on all plants being shipped to you at the *right* time for the best results for you – *Please,* do not ask us to ship before stock is dormant – Order early for early delivery . . .

BE SURE THAT YOU INCLUDE YOUR BONUS PREMIUMS

On page 9 you will find the Free Bonus Premiums you receive when you order from Wolfe Nursery– Be certain to include your bonus selections along with your order.

HOW TO IDENTIFY YOUR TREES BY COLOR CHART

Most of our stock is identified by a color label– Along with your shipment, you will receive a color chart that will properly identify each variety of stock that you order.

SEPARATE SHIPMENTS

Trees, shrubs, small fruits and roses are shipped together and will usually arrive a few days before perennials and bulbs and a few other items. Also, late in the season Strawberries are shipped separately. You may receive several shipments before your order is completed. We do this to assure the best possible condition of your stock when it arrives. This notice is to save you unnecessary correspondence.

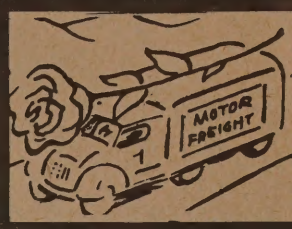
"THAT SOMETHING EXTRA"

As a Wolfe Nursery customer, you join a group of many thousands of wise home owners who have come to know and depend on Wolfe Nursery – You buy the best, only, from this catalogue – and yet – you pay considerably less than is normally paid for such quality – Yes, you save when you buy direct from the grower – and you receive *fresh Plants.*

HELPFUL PLANTING GUIDE *Free*

With every nursery stock order, we send a Free Planting Guide. It tells in a clear, simple way how to plant so that even if you have never done any planting, you can have success. It tells, also, how to prune, water, care for plants over winter, how far apart to plant, etc.

HOW WE SHIP



LET US HELP YOU SAVE ON SHIPPING CHARGES

You add just 10% to your order — We, in turn, pay all shipping charges for you from the shipping point here at Wolfe Nursery, saving you the extra fee charged on collect shipments.

Although it actually costs us more than 10% to ship your order to you, we are happy to handle it in this manner . . . making it convenient and more economical for you to buy from dependable Wolfe Nursery.

Please Note Our Minimum Order Request

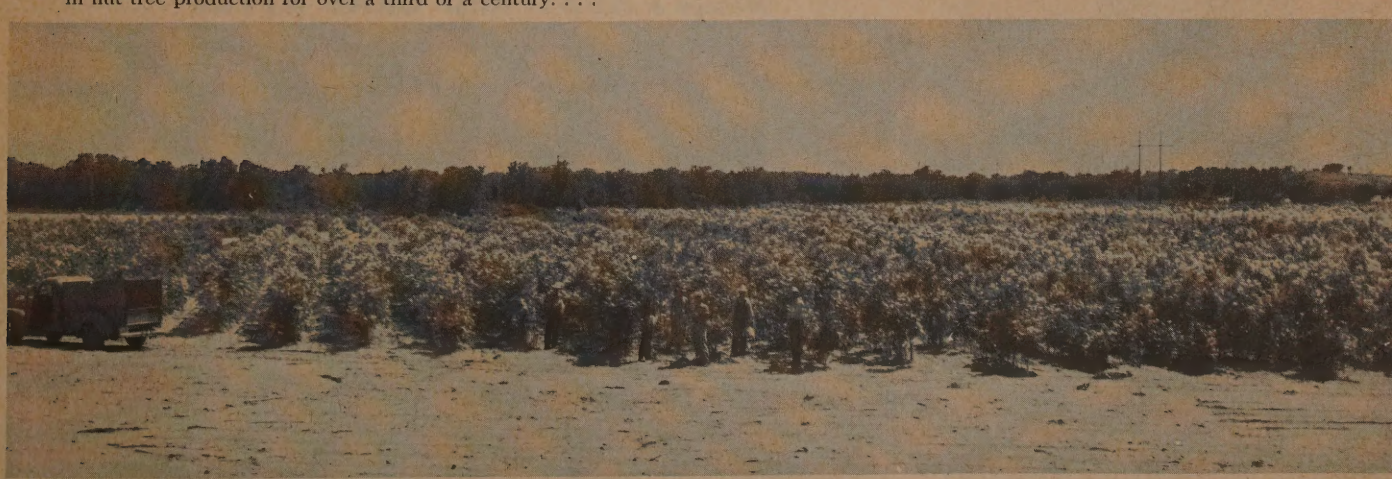
Because of increased costs throughout the nursery industry, we have found that handling orders amounting to less than $3.00 results in a loss to the nursery. Regardless of this loss, we want to serve your needs and ask that you look through the catalog carefully and order in excess of the $3.00 minimum. We will lose money in order to please a customer, but ask your cooperation in avoiding asking for shipments that total less than $3.00.

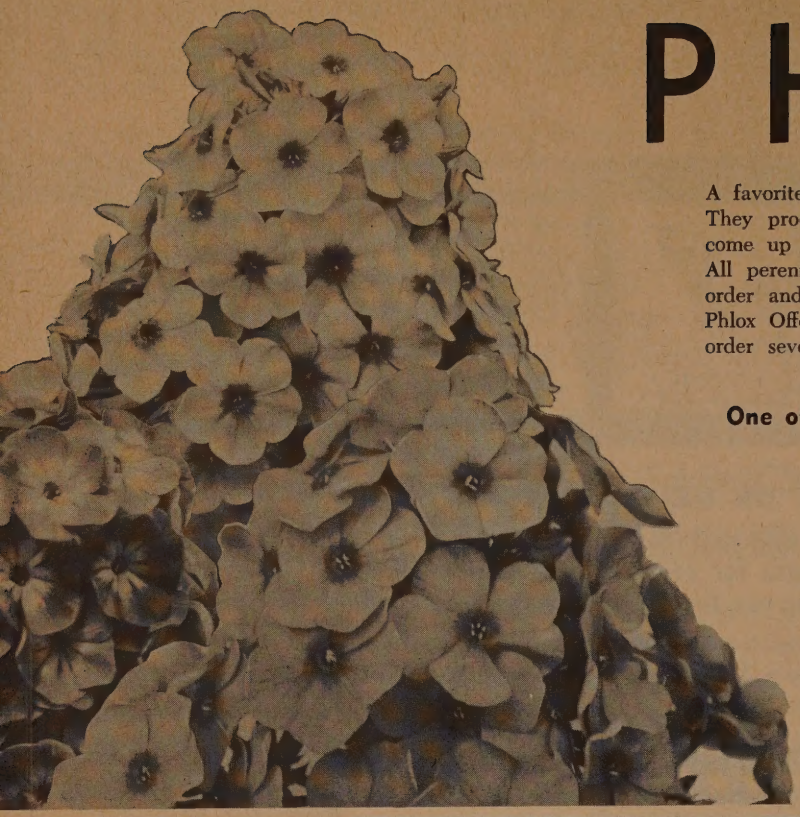
Wolfe Nursery's Guarantee

1. We guarantee our stock to be true to name. If it proves otherwise, we will replace free or refund the amount you paid us for it.
2. We guarantee our stock to be first quality and to reach you in good, live growing condition. Examine it carefully upon arrival, and if you are not entirely satisfied, return it at once and we will replace it free or refund your money.
3. Our stock is carefully handled, and under ordinary conditions should grow for you. But if it does not, owing to the weather and other conditions over which we have no control, we will replace at half price the following season, you to notify us not later than October 1st, 1961, accompanying your report with a remittance of one-half original purchase price.

We WANT you to be satisfied. If anything is wrong, we want you to write to us.

Below is a photograph of one of our many paper-shell pecan fields . . . Here you find the most select varieties of pecans, carefully grown by experienced horticulturists – The nation's very finest paper-shell pecan trees come from Wolfe Nursery – specialists in nut tree production for over a third of a century. . . .





PHLOX

A favorite and one of the most widely used border plants. They produce a wealth of blooms for a long season and come up year after year. Can be divided year after year. All perennials are shipped separate from the rest of your order and at the proper time for planting. Order Special Phlox Offer below. At such a low price you may want to order several collections. . . .

PHLOX SPECIAL
One of Each Color — All Five for Only $1.98

THE PHLOX-PEONY SPECIAL

Our Peony and Phlox Collections are two of our most popular offers. Since so many of our good customers want to buy both Peonies and Phlox, we offer this combination collection at a big saving.

ALL 8 SELECT PLANTS *$3.98*

Good Looking-Good Eating-Rhubarb-Asparagus

VICTORIA RHUBARB

The first plant to furnish fresh sauce for pies in springtime. Will last a lifetime. Will provide lots of juicy stalks after the first year. Plant two feet apart. Set the roots straight up and down, with the crown about two inches below the surface of the soil. Last fall, Mrs. Wolfe planted Rhubarb in her side yard. Not only did she have an abundance of juicy rich Rhubarb for sauce, the huge, caladium-like leaves of the dark green plant added unusual color and beauty to her landscape.

RHUBARB PRICE — 12 for $1.95

MARTHA WASHINGTON ASPARAGUS

Introduced by the U. S. Department of Agriculture a few years ago. Produces large, tender, green tips. Famous for its mild, rich, full flavor. A few roots produce many tips. Plant them 12 inches apart in the garden. In the field, the rows can be 4 feet apart. 5,000 roots will plant an acre.

ASPARAGUS PRICE — 12 for $1.95

TEMPTING — TANGY GOODNESS

Wolfe's RUBY RED CRAB APPLE

"Most valuable of all red Crabs," because of very heavy production, attractive crimson red color, good size, and unexcelled quality of its jelly, preserves, jams, and pickles. Tree is dwarfish. Pink blooms and ruby-red fruits make it a fine lawn ornamental. Bore ½ bushel at 2 years. Labelled ORANGE over GREEN.

PRICES:

2 yr. Large Size Trees $2.49 — 2 for $4.29 **2 yr. Medium Size Trees $1.98 — 2 for $3.29**

COLORFUL FLOWERING CRAB APPLE

The most popular Flowering Crab. Beautiful in bloom, beautiful in foliage, beautiful in fruit. In the spring, it is completely covered with the fragrant, bright pink flowers. From midsummer to frosts, the clusters of small, red fruit gleam brightly along the branches. It makes fine jelly. In the spring, the foliage is a rich maroon. Perfectly hardy, easy to grow, thriving in any soil.

More and more, landscape architects are recommending Flowering Crab as the most desirable of small size ornamental trees—Its early blossoms mean Spring in no uncertain terms.

PRICES:

2 yr. Large Size Trees $2.49 — 2 for $4.29 **2 yr. Medium Size Trees $1.98 — 2 for $3.29**

PEONY

WOLFE NURSERY'S
GIANT PEONY COLLECTION

Giant bush Peonies that come up each spring for a lifetime and put on a gorgeous show in your garden. We offer a collection of the very finest in Red, Pink and White at a great saving in cost. None worth less than $1.00 each and some would cost more — These are Peonies rich in color and foliage that bloom in profusion in Southern gardens. Peonies are easy to grow and require not a great deal of care — yet year in — and year out — blooms to brighten your landscape and flower arrangements.

All 3 Giant Peonies only *$2.98*

MEXICAN TUBEROSE

Flower spikes 30 to 36 inches tall, with very fragrant, waxy-white flowers from July to frost. Very fine cut flower as a single spike will perfume a room. Often 20 or more flowers on a single plant. Grows in full sun or part shade. Plant the bulbs outdoors after all danger of frost is over and the ground has become warm, covering with 2 inches of soil. For earlier blooms, you can start them indoors in pots and transplant outdoors when danger of frost has passed. They are attractive in the border and excellent for cutting. Dig in the fall and store just like Glad bulbs. Our large best quality No. 1 Bulbs will produce far more flowers than the small No. 2 size.

6 for $1.49

BEAUTIFUL *Queens Wreath Vine*

(Not Pictured)

Colorful blooming Queens Wreath is one of the most popular vines of our day. A mass of orchid pink blooms cover its rich green vine from the ground to the smallest stem. It smartly lends extra color and shading to your landscape for trellises around your windows, patio, porches, and many other places. The fragrant pink blooms and green beauty of the Queens Wreath vine add beauty to any landscape.

PRICE: $ .98 Each 3 for $2.49

FORSYTHIA

The first shrub to bloom in early spring, its bright yellow flowers light up the yard. Grows 6 to 8 feet tall, in sun or partial shade. Hardy, easy to grow, thrives in ordinary soil. The light green bark is attractive all winter.

Vigorous 2 to 3 ft. Plants — $ .98

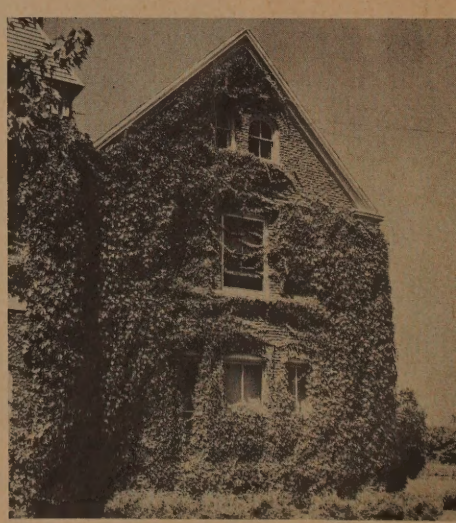
BLEEDING HEART

A favorite in Grandmother's garden half a century ago, it is equally popular today. Grows 2 feet tall. Thrives in partial shade, but will grow in full sun. Attractive foliage. Graceful heart-shaped pink flowers in April-May. The plant becomes larger, more beautiful, each passing year.

PRICE: $ .98 Each

EVERGREEN ENGLISH IVY

Ugly bareness becomes a spot of beauty when buildings of stone, concrete, or stucco, and "hard-to-cover" slopes and banks are covered with dense, rich glossy evergreen foliage of English Ivy. Famous for long life. Mass effect can be created by planting 2 to 3 feet apart. **PRICE: $ .98**



DWARF CANNA COLLECTION

A brilliant, selected, free-blooming collection of dwarf-type, deep-red Cannas. It is simply a grand collection for any yard. This improved strain of Wolfe's dwarf Cannas presents a lovely contrast with its Poinsettia-colored blooms against a background of rich green leaves.

6 for $1.69

CANNAS LISTED ABOVE 29¢ EACH

Wolfe's Brilliant Blooming Flowering Shrubs

SPIREA SCARLET MIST
(Anthony Waterer)

Special Offer 3 for only $2.98

Spirea SCARLET MIST *(ANTHONY WATERER)*

This is our most popular low-growing shrub, planted all over America. Makes a neat, rounded bush 2 to 3 feet tall. Rosy-red flowers cover the entire plant in the spring and blooms at intervals throughout the summer. Perfectly hardy, grows in sun or part shade, any ordinary soil. Excellent for foundation planting, for corners, in front of taller shrubs, as individual specimens. Makes a low bushy hedge that requires no trimming. In almost every yard there are places where Red Spirea will add permanent beauty.

PRICE: $1.29

WEIGELA BRISTOL RUBY
(Plant Pat. No. 492)

SENSATIONAL NEW

Weigela

BRISTOL RUBY

A superior Weigela, producing immense quantities of sparkling, ruby-red, bell-shaped flowers. After the spectacular June to July display is past, another fine showing of bloom appears in late summer and autumn. Grows into a perfectly formed, well-rounded, 6 to 7 foot specimen. Plant Pat. No. 492.

PRICE: $1.50

SPECIAL WEIGELA BRISTOL RUBY

When a plant is so widely accepted as Weigela Bristol Ruby we receive numerous requests for a Special price on groups — 3 plants at a savings.

$3.98

Colorful HYDRANGEA P. G.

This grows in sun but prefers partial shade, does well even on north side of house. Giant cone-shaped flowers are white at first, then turn pink and bronze. When cut, they last for weeks inside. Grows 4 to 6 feet tall, blooming from mid-summer to frost.

Heavy 1 yr. Plants — $1.69

Wolfe's Wonder SNOWBALL

In spring this shapely shrub is completely covered with blooms so fragrant they perfume the entire yard. Flowers open light pink, becoming white. A perfect shrub, 5 to 6 ft. tall and just as wide. Deep green foliage colors bronzy-red in fall. Very hardy, grows in full sun or part shade. Planted from coast to coast. Makes a magnificent specimen, and very attractive in any shrub planting. Remember that you should never use Sulphur dust or spray on or near any Viburnum.

Select 1 yr. Plants — $1.49

Cardinal Shrub

(WEIGELA VANICEK)

The Shrub of the Century

Every so often there comes to our attention a plant so unusual, so outstanding, so spectacular that it merits inclusion in our catalogue. Such a plant is the new Weigela "Cardinal Bush." It is a hardy plant — a flowering shrub that can be depended on to produce its blooms in exciting abundance each year. All of its many branches are engulfed with trumpet-shaped, red blossoms. It is an everblooming flowering shrub that complements your landscape the year round with delightful wine-red sprays. Its foliage is rich and luxurious and the contrast of color between bloom and foliage is a joy to see. Usually new introductions are priced high because of the expensive research that a reputable nursery must undertake, but we know that the Weigela "Cardinal Bush" is destined to great popularity here in the South — so — we are pricing it low, depending on its success in your yard to bring repeat orders from you as well as your neighbor. Order today for the newest, the best, from Wolfe Nursery.

Select 1 yr. Plants — $1.95 Each

PINK ALMOND

This lovely pink blossom shrub with creamy white tassels forming a dainty center of the flower lends an unusual beauty to any landscape. It is adapted to almost any section and is deserving of its popularity as an early blooming specimen. Mix plenty of flowering shrubs of different colors in with a well-arranged evergreen foundation planting and your landscape will be a thing of beauty.

2 to 3 ft. Plants — $1.19 Each

MOCK ORANGE

This beautiful flowering shrub blooms heaviest in May and June but Orange blossoms can be seen almost any day during the summer. It is Mother Nature's perfume of the garden.

2 to 3 ft. Plants — $1.19 Each

PURPLE WISTERIA

A magnificent climber that becomes more beautiful each year. Can be trained to make a tree. Plant on trellis, fence, old trees or as special specimens. Will bloom the first year.

Heavy 1 yr. Plants — $1.19

ROSA MULTIFLORA

The Miracle Living Fence

The very best, most colorful, all-purpose hedge grown. It makes a dense, thorny barrier that stops traffic across your yard or garden. And just as it keeps livestock in a field, it keeps your pre-school youngsters from wandering out of the yard. In the spring, even if trimmed, it bears clusters of small, white, wild roses, and, in the fall, the berries turn a pretty bright red. If you let it grow, it will get tall enough to make a good screen. Ideal on terraces because it stops washing. Does not sucker or spread so does not interfere with nearby plants or garden, and you'll find it easy to run a lawn mower under its arching branches. Grows 2 ft. to 6 ft. high, depending upon how you trim it. We do not offer the small conservation grade as we believe the loss in planting is too great for that size plants. And our Super Grade will make you a hedge in a hurry.

10 Plants — $2.95 **20 Plants — $4.95** **30 Plants — $6.45** **40 Plants — $7.65**

Beautiful BRIDAL WREATH

BRIDAL WREATH — SPECIMEN OR HEDGING PLANT

Without a doubt one of the most useful and widely used shrubs in the United States. Blooms in April and May, throwing out long branches that curve and droop to the ground and covered with a mass of pure white flowers that suggest a fountain of snow. May be used singly, massed, or as an informal hedge.

5 Plants — $2.45 **15 Plants — $6.75**
10 Plants — $4.69 **20 Plants — $7.95**

Our Most Popular Hedge

Amoor River Privet

(PICTURED PAGE 41)

If you do not know what hedge to plant we recommend this very highly. It is by far the most popular hardy trimmed hedge. It makes a permanent hedge, lasting for generations. Not only adds beauty, it also protects your yard, especially if you have a corner lot. It is fine for a division line between yards. Can be trimmed to any desired height, making a thick dense hedge, without thorns, right down to the ground. Requires trimming only twice during the summer. But if you trim it 3 or 4 times it becomes more dense and bushy. Leaves are rich, dark green, and hang on until very late fall. Plant 1 foot apart.

10 Plants — $1.69 **30 Plants — $4.19**
20 Plants — $2.95 **40 Plants — $4.79**
50 Plants — $5.49

Wolfe's PRIZE GLADIOLUS

Twelve large Glad bulbs to lend a tall colorful touch to your planting. Bouquets for your home, your church, and for friends in just a short time. Each of these big bulbs will produce many bulblets that can be planted next season. This collection is made up of Florist Mixed varieties and packed to reach you in perfect condition. Our bulbs are treated to prevent disease and rot. Not labelled.

JAPANESE LIGUSTRUM

Hedges

JAPANESE LIGUSTRUM

The very best for an evergreen hedge. The big dark green showy leaves and compact growth make it easy to trim and shape. Makes a fine informal hedge when not trimmed. Fast growing variety.

10 Plants — $2.95 **20 Plants — $4.95** **30 Plants — $6.95** **40 Plants — $8.95**

RED LEAF BARBERRY HEDGING

There is nothing as strikingly brilliant in hardy shrubbery as our genuine true red strain of Red Leaf Barberry. Its abundance of thick red maroon leaves fairly glisten and make a novel contrast to other plants. Grows about 3 to 4 feet tall. Plant for single specimens, corner groups, solid border hedge, etc. Beautiful in front of a light-colored home. We have recently seen several informal hedges of Red Leaf Barberry . . . Due to the habit of growth of the plant and most of all, due to its scarlet coloring, it makes a most delightful and different hedge . . . Plant about 2 ft. apart.

10 Plants — $5.95 **20 Plants — $11.29** **30 Plants — $16.69** **40 Plants — $21.95**

Heavy 2 yr. Plants — 98¢ Each

BURNING BUSH

GREAT NEW FLOWERING SHRUB

One of the most beautiful and colorful – of all shrubs, it becomes a different color with each season. There are bright yellow flowers in May and June – then red berries for late summer and fall. The foliage is an attractive dark green throughout the summer, changing to a brilliant crimson tinged rose in the fall. An unusual cork-like bark adds charm and contrast all through the winter months. Wolfe Nursery's Burning Bush thrives in all sections. The plant is compact and bushy which makes it ideal either as a foundation plant or as an individual specimen. Burning Bush is an outstanding addition to our select flowering shrubs – attracting attention during spring – summer – and fall. A contrast plant that you will be proud to grow in your yard.

Large Size Landscape Plants – $2.95 Each

All 5 only $1.95

THOMPSON SEEDLESS

A sweet, delicious seedless grape known the nation over as one of the finest of all table grapes. Thompson Seedless is sold in stores at high prices. You can take the money that it costs you to buy a few bunches at the store and buy your own vines that will produce all the sweet, delicious home-grown grapes you can use. Plant some of our select grapes—say, at least one of each variety in your back yard on your fence, or even in the landscaping planting. They will be a source of pleasure to you and your family for years to come. Labelled YELLOW.

Jumbo Vines — $ .98

Large Vines — $ .79

SPECIAL

3 Carman Grape Vines

Our outstanding grape at a sales price.

Only $1.49

DELAWARE

There has probably been a greater acreage planted in Delaware than any other red Grape. This beautiful, compact variety has juicy, sweet flesh of the finest quality for both table and wine use. It is adapted to a wide area and considered one of the heavy production varieties. It is a good commercial Grape and your home orchard will not be complete without Delaware. Labelled ORANGE.

Jumbo Vines — $ .98 **Large Vines — $ .79**

NIAGARA

The Grape with a distinctive flavor is worthy of a place in your planting. This hardy, prolific Grape is another of our selections from a long list of good varieties. It is a vigorous grower that produces an abundance of light green to white, compact bunches. Don't leave Niagra out of your planting if you want a Grape with a delicious tang. Niagra is labelled WHITE.

Jumbo Vines — $ .98 **Large Vines — $ .79**

CONCORD

This large, juicy, sweet, tender-fleshed Grape ripens in August when everyone is hungry for a handful of good eating. The clear-skinned, purplish black Concord bears heavy crops the second or third year after planting and the strong, healthy vines produce for many years. Concord is labelled BLUE.

Jumbo Vines — $ .98 **Large Vines — $ .79**
